WORK EXPERIENCE

Senior Associate Consultant | Boston Consulting Group (BCG) *May 2030 – Oct 2031*

- Executed rigorous quantitative and qualitative analyses (market sizing, financial modelling, competitive benchmarking, customer segmentation) across 8 engagements in Technology, BFSI, and Infrastructure sectors.
- Built a three-statement financial model and DCF valuation for a ₹2,000 Cr PE-backed infrastructure deal, enabling the client to structure a successful acquisition bid.
- Independently owned customer research workstreams including 60+ stakeholder interviews and conjoint analysis studies that reshaped a leading telecom player’s prepaid pricing architecture.

Summer Consulting Intern | Accenture *April 2029 – July 2026*

- Analyzed India's EdTech competitive landscape for a global ed-tech client entering the market; built market-sizing model projecting a \$6.2 Bn opportunity by 2025.
- Delivered recommendations to Senior Partner and client CXO team; received a Pre-Placement Offer (declined in favour of McKinsey full-time offer).

Govt. Consulting Intern | EY (Ernst & Young) *April 2027 – June 2028*

- Authored bilateral strategy notes for 15+ countries, synthesizing industry datasets and annual reports to build sector-specific value propositions and propose actionable partnership models.
- Benchmarked the CAPEX and expansion trends of market leaders to shortlist prospective investors, directly informing the team's strategic outreach and investment targeting.
- Researched regional policy incentives and infrastructure frameworks, distilling complex data into visual charts and summary tables for high-stakes investment briefs and internal pitches.

CSR Intern | EY (Ernst & Young)

- Designed a 45-hour AI credit framework for 80,000+ learners across 10 universities (TNSDC), establishing pedagogical standards and faculty governance structures to ensure quality for a massive-scale academic rollout.
- Managed a portfolio of 153 corporate mentors, utilizing Power BI to diagnose engagement gaps and optimize the recruitment funnel; achieved a 1.6:1 mentor-to-mentee ratio and projected 1,800+ volunteer hours for NGO capacity building.
